

NEXGEN APPARELS

COMPANY PROFILE

Founded by **Prajith Krishnamoorthy & Sushanthan Thandappani**, our mission is to *accelerate fashion brands across the globe.*

Backed by over 30 years of family business expertise, we bring both Fabrication (*Arights Apparels Pvt Limited*) and Garmenting (*Nexpark Apparels LLP*) as a single vertically integrated entity.

Our infrastructure brings together every stage of the process—from **fabric creation (Knitting & Fabric Finishing) to garmenting (Cut, Make, Trim & Pack)**—as one. *We provide full package knitwear apparel manufacturing service.*

With several trustable ancillary suppliers built over generations and a single-entity setup, it enables reduces lead times and costs but also ensures unmatched quality control, flexibility, and speed-to-market for our clients.
